HOMECOMING ... greatest yet

Homecoming, sponsored by Student Council was a terrific success. The downtown parade . . . decorated cars and class floats. Half-time activities . . . the winning Junior float, performances by the Vand and Drill Team, the crowning of the Queen. We danced to the music by the Oxford Circle with psychedelic lights.

Coached by Mr. Dick and Mr. Allen, the Junior Varsity had a moderately successful season winning five, losing three, and tying one. They lost to the tough Washington Huskies and the Marshall Wildcats. This was good for a third place tie in the league standings.

The Ramblers concluded one of their most successful seasons. Under the coaching of Mr. Gilley and Mr. Montavo they prepared for next year's junior varsity and varsity. The Ramblers have worked hard to achieve their success, often into the night under the lights.

Our first meet of the year against John Swett sparked our season with wins by both the Varsity and Sophomore teams. At the league meet the Varsity came in fourth and the Sophomores came in third. Eleven boys earned individual medals at the league track meet. The prospects for a strong Varsity for next year are very good with four out of the six first stringers coming back, and good material coming up from the Sophomores.

Wrestling Squad

Completing an undefeated season, the varsity wrestling team swept the Delta League Wrestling Tournament. The Varsity swept six first and seven seconds to overwhelm all opposition. This is the third straight year that the Varsity has captured the Delta League Championship. In the past three years the Varsity has lost only two and tied one match in dual meet competition. Vacaville ended the season rated number five in Superior California. Varsity Wrestling coach was Mr. Lawrence Nelson.

Varsity Wrestling

Keeping pace with the Varsity, the Junior Varsity went through the season undefeated. Smashing all opponents by wide margins, the Junior Varsity team powered their way to first place in Delta League.

Due to the very large turnout for wrestling there was a large Rambler squad. Gaining experience in six matches and practicing what they learned at practice, the Ramblers gave a good account of themselves. They assure a steady stream of outstanding wrestlers to the ranks of Junior Varsity and Varsity teams of the future.

BARK, ULATIS . . . fabulous publications

This year, BARK, Vaca High's student newspaper, was started as an extra-curricular activity. This was due to the termination of the Journalism and Photography classes which have produced the paper in previous years.

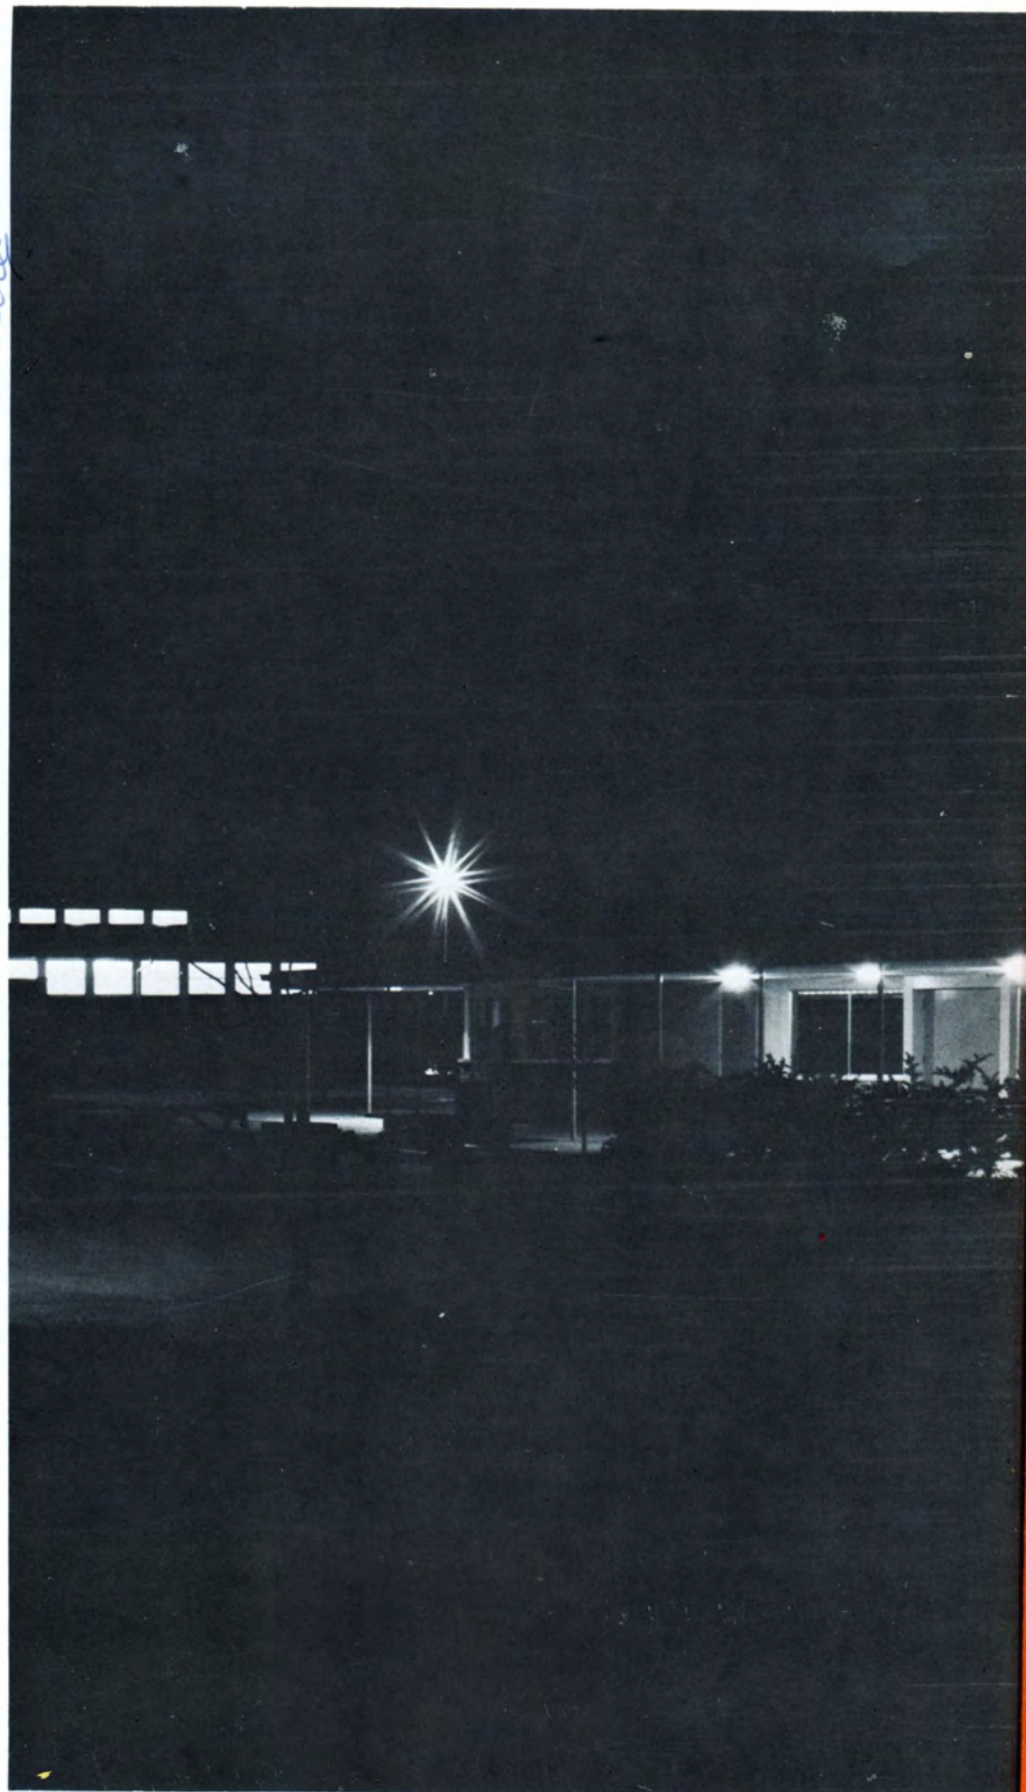

It is the responsibility of the BARK staff to report on the activities of the student body, presenting them in pictures and stories. The BARK advisor is Mr. Long.

The Ulatis staff's main function is creating a yearbook which completely covers all school activities. The staff members are: Sylvia Hay, Editor; Jackie Larson, Mardel Penaluna, Co-Editors; Jim Wernli, Junior Editor; Margaret Barham, Copy Editor; Donn Ramey, Sports Editor; Steve Jensen, Art Editor; Andrea Bera, Junior Art Editor. Faculty Advisor, Mrs. Jacquelyn Cox.

D. C. Roberts

Conclusion...

Throughout the 1967 ULATIS we have attempted to present not only the activities of the student body but to show their actual participation. This has been at times a trying undertaking but in all, a very rewarding one. It would have been impossible without the sincere effort of each and every staff member. Our sincere appreciation to our photographer, Mr. Gerald Whitaker, who gave so much of his time in providing all of our photography.

...and each ending is but a beginning...

Dianne,
Good luck always.
See ya round next year.
